

2010 Range Judging Contest Schedule

Those interested in range judging and how it enhances the understanding of rangeland resources can now mark their 2010 calendars. The following contests are open to youth as well as adults, with categories and awards based on age and level of experience.

If you are not inclined to test your contest skills, then consider volunteering to help conduct at least one of the contests listed. There is a new edition of the Range Judging Handbook and Contest Guide for Nebraska, EC150 (Revised July 2009). It is available through University of Nebraska Cooperative Extension and is also online at <http://www.ianrpubs.unl.edu/sendIt/ec150.pdf>
