LAKE WANAHOO | WAHOO, NEBRASKA

APRIL 29, 2020 | 8 A.M. CT

The 2020 Nebraska Envirothon competition will take place at Lake Wanahoo two miles north of Wahoo in eastern Nebraska. Wahoo has limited hotel accommodations, so it is recommended that teams stay in Lincoln, Fremont or Omaha.

The recreation area is managed by the Lower Platte North Natural Resources District and was opened in April 2012. The 662-acre Lake Wanahoo is part of a 1,777-acre recreation area with camping and boating. The site also includes an education center and disc golf.
