NARD Policy Statement 2025-1 - We will work with the Legislature and Governor Pillen on reasonable property tax reform measures. We support reforms that reduce property tax reliance and provide adequate funding for both rural and urban areas. We oppose restrictions on local budgets that harm the ability of local governments: 1) To implement programs and projects to meet federal and state mandated programs; 2) Make local annual adjustments to meet the needs of the local citizens; 3) Adequately fund both rural and urban needs; and 4) Provide local funding for efficient natural resources programs that protect water quality, water quantity, soil, property and the economy.

NARD Policy Statement 2025-3 – We support with an amendment to exclude NRD data request for water quality and quantity management.
