## **Nebraska Association of Resources Districts Foundation 5K Run Cancelled due to Pending Winter Storm**

(Norfolk, NE) The Nebraska Association of Resources Districts Foundation's annual 5K Run, 1 Mile Walk and Kids Dash set for Saturday, April 14, 2018 on the Cowboy Trail in Norfolk has been cancelled due to the expected snow storm.

The Nebraska Association of Resources Districts (NARD) and the Lower Elkhorn NRD urge residents to take all necessary precautions to stay safe during the expected storm event.

In lieu of the event, the NARD Foundation will donate to the Norfolk Rescue Mission.

###

The Nebraska Association of Resources Districts Foundation mission is to provide natural resources awareness, education and leadership opportunities for Nebraskans through partnerships with other organizations, foundations and the private sector. The NARD Foundation provides the conduit for funding those opportunities that have state-wide audiences and participants. The Foundation provides funding every year to several state-wide events and organizations involved in educating Nebraska's youth about conserving Nebraska's natural resources.

More information about the NARD Foundation can be found at: <https://www.nrdnet.org/about/nard-foundation>

The Nebraska Association of Resources Districts (NARD), the trade association for Nebraska's 23 natural resources districts, works with individual NRDs to protect lives, protect property, and protect the future of Nebraska's natural resources. These districts are unique to Nebraska. NRD's are local government entities with broad responsibilities to protect our natural resources. Major Nebraska river basins form the boundaries of the 23 NRDs, enabling districts to respond best to local conservation and resource management needs.
