North Platte NRD Announces Poster Contest Winners

The North Platte Natural Resources District (NRD) hosted their annual conservation poster contest last month and received entries from all over the District. This year's topic was "Soils are Full of Life!"

David Wolf, Information and Education Coordinator, was very happy with the quality of the posters. "I am always amazed at the creativity of posters and how well done they are. We are very proud of the entries and always look forward to see the great work the kids produce."

The contest is open to all K-12 students in Banner, Garden, Morrill, Scotts Bluff, and southern Sioux Counties. The top three places in each age category get a cash prize. The NRD would like to recognize and congratulate the winners.

Next year's contest theme will be "Watersheds: Our Water, Our Home." For more information on these contest, go to www.npnrd.org or contact Wolf at 632-2749.
